Evelyn L. "Evie" Zola

May 21, 1924—November 10, 2003

It is with sad hearts to learn one of MDLGA's Co-Founders known as Zola had passed away in November of 2003. She was survived by her son, Fred Zola, and his wife, Nieves Vargas and daughter, Sue Carol Zola. She was also survived by her brother, Ira Lipshutz, two grandchildren and two great-grandchildren. She was preceded in death by her husband, Philip Zola in 1991.

MDLGA is forever grateful for Zola as well as Anna Prinzevalle for the establishment of MDLGA.

Oddest things you ever see on the golf course:

- A cow walking across the fairway!
- A fox sitting closely while using the iron (club). Later found it is typical for that fox to be close to players!
- A doe with a fawn approximately 3 feet away from two people sitting in the cart (waiting for their turn).

Shared by some ladies at the MDLGA's Luncheon. What's some of the oddest YOU have seen?

Did you know?

An interesting information was shared at MDLGA Luncheon held yesterday. Did you know by walking 10,000 steps is one sure way to improve your health?

Here's all you need to get yourself on the road to good health -by walking!

- Pedometer
- Comfortable sneakers/shoes
- Comfortable clothes

Don't Forget!

Golf Tip:

Don't sweat the small stuff. Just remember why you like to play golf—it's because you ENJOYED it.
